GREAT FUTURES START HERE!

Kids in Need

Today's kids have MORE. More opportunity, more access, more paths. But they also deal with more chaos, more risks, more danger. We're doing whatever it takes to fill gaps, provide safe spaces and empower kids to imagine and achieve great futures.

Someone Who Cares

MENTORING

Someone to look up to. Someone to emulate. Someone to run to with victories big and small. For kids who lack a positive role model, we fill a gaping need. They need a word of encouragement, and, sometimes, the support to keep them from choosing the wrong path. Our volunteers are here to listen, to advise, to care. As they do those things, they shine a light on a new path, a brighter future for the kids that need them most.
